VOGA Canada 2025 Newsletter

March 2025 : Issue#1

Welcome to VOGA Canada 2025!

VOGA Canada isn't just headquartered in Toronto – we're woven into the very fabric of Canada, with deep roots in Toronto. Founded in 1988, we're a team who have steadfastly upheld the love and loyalty of its members toward their alma mater. The association fosters goodwill, volunteerism, and unity among its members and their families through social, educational, and cultural events. Over 200+ strong, we're the backbone of VOGA Canada.

Recent highlights

On behalf of VOGA Canada, we would like to extend our sincere gratitude for your attendance at the recent session “Coping with Life Challenges” with Vee. Your commitment to personal and professional development is admirable, and we are delighted to have had the opportunity to provide you with valuable insights and information.”

VOGA Scholarship Fund

VOGA Canada allocated funds to provide education-related support, designed to ensure VGHS students can succeed in their academic journey.

An amount of CAD \$6000 was sent to VOGA Jaffna to help with tuition fees for selected “A” Level students of VGHS, who met the eligibility criteria and who demonstrated financial need.

PRESIDENT’S MESSAGE

My dear Vembadians,

I am very happy to meet all of you via this newsletter. Thankfully the somewhat harsh winter is behind us, and we now have so much to look forward to the rest of this year.

Our promise is to take VOGA Canada to the next level but with gratitude and respect to all the past presidents and committee members who have given us this opportunity.

As Vembadians, we remain resilient, committed, hardworking and never ever giving up until we have achieved our goal which is “to be our best and help others to be their best”

VOGA 2025 Committee’s focus is to build a strong and friendly team that works in a positive environment and enthusiastically prepare for our five events with a view to making this a resoundingly successful year.

Our resolve is to deliver the best and in return we humbly request your full support to every event and this we ask in the name of Vembadi Girls’ High School. Let us work together make our Alma Mater proud. Thank you very much.

With warmest wishes,

Devaranee (Bubby) Vishnu Mohan
President VOGA 2025

“Unity within a community transcends mere coexistence; It embodies a shared sense of purpose, mutual respect, and collective responsibility. When individuals come together, pooling their strengths and resources, they can achieve remarkable feats. Unity fosters a sense of belonging, promotes social harmony, and enhances the quality of life for all members.”- Unknown
